HEARTS OF GOLD

2023

Gold Hearts will be shining brightly across Wales this festive season and into the New Year, symbolising the lives of those special to us.

Hearts of Gold is a charity Christmas campaign of special events organised by Calon Hearts Screening and Defibrillators that takes place during the festive period of November and December.

Christmas is a time when people are thinking of happy times shared with their loved ones. To help celebrate, honour and remember the lives of loved ones no longer with us due to a heart condition we have created our Hearts of Gold Christmas Appeal.
