Giving a gift in
memory of a
loved one

A gift to Calon Hearts in memory of a loved-one is a powerful way to celebrate a loved-one's life, while creating a legacy of hope and support for families that have lost a loved-one to a heart condition.

It can be comforting to know that your gift, given in their honour, means that after they are gone, the place they so loved is supported and continues to be a lifeline for so many people.

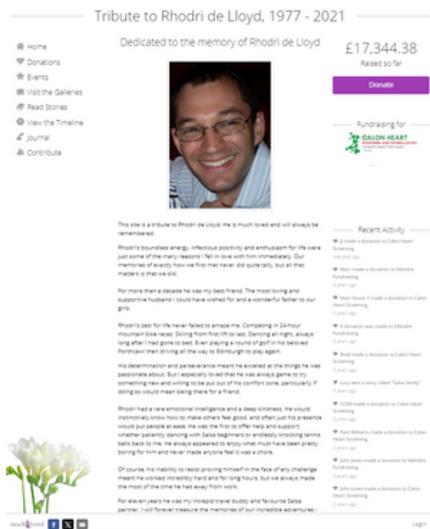

There are many unique ways you can remember someone special, outlined in this booklet. If you wish to discuss anything with us, call us on 02922 402670 or email info@calonhearts.org.

Set up your own online tribute

The loss of someone close to you is a deeply personal experience. Setting up a tribute page in honour of your loved-one is a beautiful way to keep their memory alive.

In one online space, friends and family can share special memories and photos and light virtual candles on important dates. People can also choose to donate to support the work Calon Hearts does, which can be especially poignant if Calon Hearts was important to your loved one during their lifetime.

Is a tribute page easy to set up?

Yes, it should take no more than 10 minutes to set up. We are happy to help you or set it up for you if you need assistance.

Do I pay for a tribute page?

No, it is completely free to set up and messages can be added for free too, a donation is not compulsory to post on the page.

Hearts Of Gold

Christmas is a time when people are thinking of happy times shared with their loved ones. To help celebrate, honour and remember the lives of loved ones no longer with us due to a heart condition, we have created our Hearts of Gold Christmas Appeal.

Lets keep Hearts shining brightly during the festive season, symbolising the lives of those special to us. Hearts of Gold is a charity Christmas campaign of special events organised by Calon Hearts Screening and Defibrillators that takes place during the festive period of November and December.

Or why not organise your own event for Calon Hearts.

Funeral Collections

We know it can be overwhelming when a loved one dies, especially with the many decisions that need to be made. Family members often find it comforting to ask friends and family for donations to a cause important to their loved one. Calon Hearts offers a Funeral Notice Page where funeral arrangements can be shared with friends and family, with an option to donate to Calon Hearts online and leave a message of condolence or light a virtual candle. If you would like to do this, you can set a page up using the link or QR code below or get in touch with us and we can set this up for you.

You can support Calon Hearts in memory of a loved-one in a few different ways:

Fundraise for a defibrillator in their memory

We feel privileged to have helped many families honour their loved ones by helping them place a community defibrillator in memory. Losing a loved-one is devastating, but we hope that families can find some comfort in knowing that by fundraising for a defibrillator in memory, they are ensuring their loved-one leaves a lifesaving legacy.

Making either a regular or one-off donation in your loved one's name

You can make a donation to Calon Hearts here but as you make your donation, please get in contact and tell us the name of this special person and, if you would like, tell us more about why you are donating. If you would like us to share your loved-one's story, please let us know as well.

Set up an online tribute fund in-memory of your loved one

This is a very easy and visual way to fundraise for Calon Hearts in memory of your loved-one.

Set up a Just Giving in memory page Remember to get in touch and tell us what you are doing so we can help out where we can.

Collect at a funeral or memorial event

Collecting at a funeral can help Calon Hearts make a lasting difference in memory of your loved one. You may choose to do this by asking for donations instead of flowers. You can also hold a collection at your celebration of life or memorial service. We have a range of items to help you do this:

- Our In- memory collection envelopes allow people to Gift Aid, which increases each donation by £2.50 for every £10 donated at no cost to you.
- Our Calon Hearts pin badges are a lovely thank you and memento.
- Calon Hearts collection boxes provide an easy way for your friends and family to donate at your memorial events.

If you want to send the proceeds of a collection made in-memory of someone by post, please make your cheques payable to Calon Hearts to White House Cottage, Cathedral Green, Llandaff, Cardiff, CF5 2EB.

Donating or fundraising in memory of someone is a very special and meaningful way to remember them and clearly shows how much you care and miss them. You are in fact, honouring their life and helping others at the same time. We are always incredibly touched and grateful to receive these donations

How you can leave a lasting legacy by supporting Calon Hearts Charity

Having an up-to-date Will is an important part of financial planning.

A well-considered Will enables you to provide for people and causes that have been important to you in your lifetime as well as giving you peace of mind.

Many people choose to remember family and friends along with charities which have impacted on their lives. When you make your Will, please consider Calon Hearts - The Heart Screening and Defibrillator charity. We rely on voluntary contributions, including gifts in Wills, to help fund our work providing accessible heart screenings and public access defibrillators across the UK.

LEAVE A LASTING LEGACY

At least 12 seemingly healthy young people die every week in the UK from heart conditions they didn't even know they had.

Our mission is simple; to reduce this number so that no family loses a loved-one to a heart condition that could have been detected and managed. We currently offer accessible heart screenings for anyone aged 16 and above across Wales. With your help, we want to expand and take our heart screenings across the UK.

Your gifting helps us continue to...
