Fundraising Pack

Introduction

Welcome to the Calon Hearts Fundraising Pack!

Thank you for choosing to help save lives and raise awareness about heart health in Wales. We would not be able to carry out our work without people like you. Whether you're organising a small event or launching a large campaign, this pack will guide you through the process and provide you with all the resources you need to make your efforts a success. From fundraising ideas to tips and advice, we've got you covered.

Calon Hearts doesn't receive any government funding, which means we rely solely on donations from supporters and money raised through our fundraising events. Every penny you raise will go towards funding public access defibrillators, heart screening sessions and CPR training throughout the UK, so you really will be making a difference and helping us save lives.

Heart Month

Heart Month is the perfect time to raise awareness and fundraise for Calon Hearts. This February, we are encouraging individuals, schools and businesses to get involved in spreading the message about heart health.

Ideas include

- Hosting a “Red Day” where participants wear red to show their support.
- Organising a bake sale, sponsored walk or non uniform day.
- Host a coffee morning or a ball.
- Sharing educational materials about heart health in your workplace or friends groups.

Your fundraising efforts during Heart Month will help provide life-saving heart screenings, place defibrillators in communities and support education and training on heart health.

Forever in Our Hearts Campaign

Located in Thornhill Cemetery, the Forever in Our Hearts campaign offers families a special way to remember loved ones. This campaign supports Calon Hearts' work in helping to prevent sudden cardiac deaths and raising awareness.

Here's how you can help

- Purchase a handmade heart which will be planted in the garden for the month of February. At the end of the month you can collect it and take it home as a keepsake.
- Host a fundraiser in memory of a loved one.
- Spread the word about the campaign through your networks.

Fundraising Ideas

Schools and offices play a vital role in supporting Calon Hearts. Here are a few ideas to get started.

Schools

Organise a non-uniform day where students make a small donation to participate. Alternatively, host a cake sale with heart-themed treats to raise funds.

Offices

Consider setting up a salary sacrifice scheme where employees can donate a small portion of their salary to Calon Hearts each month, which can be cancelled at anytime. It's an easy and effective way to make a lasting impact.

Encourage participation by sharing stories of how Calon Hearts has saved lives and why their support matters.

Fundraise for a Defibrillator

In a heart emergency, a defibrillator can mean the difference between life and death. Calon Hearts is proud to provide access to high-quality, cost-effective defibrillators, along with training to ensure they're used with confidence.

Buying or fundraising for a defibrillator for your community, school, or workplace is a meaningful way to champion heart health and make a life-saving impact.

Costs start at just £895, including the defibrillator, professional training, and ongoing maintenance support.

Interested in purchasing or fundraising for a defibrillator? Get in touch with us today to find out how you can help protect lives in your local area.

Fundraise for a Heart Screening Day

Heart screenings save lives by detecting hidden conditions that could lead to sudden cardiac arrest. Each heart screening day costs £7,200 to organise, which includes:

- Venue hire.
- Equipment and medical supplies.
- Professional staff and cardiologists.
- Enough screening time for up to 90 people.
- Follow up care for individuals identified as at risk.

Consider hosting events such as charity runs, auctions or raffles to reach your goal.

By fundraising for a heart screening session, you are directly contributing to this life-saving service and ensuring that these screenings remain accessible to everyone in need across Wales and the UK.

Every donation counts towards providing this critical and life saving service.

Your donations will directly support Calon Hearts' mission to save lives through vital heart health initiatives, including providing defibrillators, heart screenings, and support for families affected by heart conditions. Your personal information will only be used for processing this sponsorship and enabling us to claim Gift Aid where applicable. Calon Hearts will never share your details with third parties without your consent.

If I have ticked the Gift Aid box, I confirm that I am a UK taxpayer. I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference. Calon Hearts will claim 25p on every £1 donated.
